

COLLEGE GO! WEEK COLLEGE & CAREER PLANNING CHECKLISTS

Grade 12

☐ **Read** *Next Indiana*, our magazine about college and careers. All students should receive a copy at school, or visit LearnMoreIndiana.org/print.

☐ **Plan** to graduate! Double check that you have all the classes you need.

☐ **Retake** the SAT or ACT, if necessary. Ask about fee waivers for low-income families, if you think your family will qualify.

☐ **Apply** to college! Check LearnMoreIndiana.org/admissions for Indiana college admissions deadlines, but double check whether there are earlier priority deadlines. You can send your high school transcript for free via e-Transcript. Ask your school office, or check your high school homepage for an e-Transcript link.

☐ **Confirm** your status, if you are a 21st Century Scholar. See Scholars.IN.gov.
